## Backup your data

### 2TB G-Tech Mobile Hard Drive

- Your data is the most important thing on your Mac. Think of your pictures, emails, and other documents. What if you lost them? Use TimeMachine software to automatically backup your data to an external hard drive.

Have an existing Mac or PC and need your data transferred to your new Mac?

### White Glove 3 - a MacMan exclusive maintenance program

Purchase White Glove 3 year and we will setup your new Mac, or transfer your data from your old computer and maintain your new Mac for three years. Labor coverage, tune-ups and priority service included.

The purchase of a Mac computer is nothing to take lightly. It's an investment in technology that comes with a tremendous amount of value. Apple Mac users are some of the most satisfied computer users in the world of technology. We want to insure that our customers have the best experience with their Macs. This is why you can count on us to be your technology support team.
